ANTHONY NEWSOME
Darien, IL | (630) 303-2055 | anthonynewsome8@gmail.com

Self-motivated, goal-oriented student with demonstrated academic performance across all STEM areas. Avid learner who is eager to be challenged.

EDUCATION

Miami University — **Expected Graduation: May 2029**
Oxford, OH — B.S. Computer Science

Relevant Coursework: Object-Oriented Programming , Elements Of Discrete Math, Introduction to Cybersecurity, AP Calculus-AB, AP Physics C-Mechanics,, Computer Information Systems & Game Design

Skills & Technologies: Python, Unity, C#, Java, Processing, JavaScript, React, HTML, CSS

Downers Grove South High School — **Class of 2025 (GPA: 4.03, weighted)**
Downers Grove, IL

WORK EXPERIENCE

Intern – Sales & Business Development — Summer 2025
Muffins AI, Chicago, IL

- Generated and qualified leads by leveraging LinkedIn messaging and targeted emails to identify prospective clients.
- Represented Muffins AI, a no code, natural language testing tool, at AI Chicago Week (hosted by AI2030), connecting with senior professionals from major companies to identify partnership opportunities.
- Conducted several in-person meetings with prospective clients to discuss product value and potential collaborations.

EXTRACURRICULAR ACTIVITIES

Big Data Camp — July 2024
Argonne National Laboratory, Argonne, IL

- Built and trained a machine learning model for accurate data prediction, gaining hands-on experience with algorithms and real-world problem solving.
- **Skills learned:** Python Libraries. Applying algorithms and programming to solve real world problems.

Inspirit AI Scholars Program — June 2024
Downers Grove South High School

- Applied AI concepts to model data collected from NASA's Kepler telescope to train AI to detect exoplanets.
- **Artificial Intelligence concepts learned:** Python and AI Libraries, Machine Learning Foundations, Regression and Classification, Natural Language Processing, Computer Vision, Neural Networks, AI Ethics

AWARDS & HONORS

National Technical Honor Society (Technology Center of DuPage) — (inducted) May 2025

Technology Center of DuPage A-Team Award — February 2025

CERTIFICATIONS

Responsive Web Design Certification (freeCodeCamp) — June 2025
Front End Development Libraries Certification (freeCodeCamp) — June 2025
